

TRANSITION TO EMPLOYMENT SERVICES

GED & CONSTRUCTION TRAINING PROGRAM

Are you interested in earning your GED and obtaining occupational skills training in the Construction field for free?

The Capitol Region Education Council offers a 25-week training program for qualified candidates who want to earn their GED and receive training in construction trades. Along with obtaining your GED, students will receive certifications in:

- ❖ OSHA-10
- ❖ CPR & First Aid
- ❖ Fork Lift Operation
- ❖ Aerial Lift
- ❖ Blueprint Reading

The training program includes a 10-week, 150-hour, paid field placement at local area construction sites. Trainees will also be able to obtain a Connecticut Department of Motor Vehicles Driver's License. Job placement services are provided for all training program graduates.

Training Qualifications

- ❖ Ages 17-21
- ❖ Dedicated to obtaining your GED
- ❖ The desire, motivation, and commitment to working in the construction trade
- ❖ Must reside in Hartford County
- ❖ Must meet eligibility requirements under the Workforce Investment Act (WIA) guidelines

Are You Interested?

Call Donna Heim at 860-509-3643 or our main number at 860-509-3639 for more information about our next training class and orientations. Classes will be held at 34 Sequassen Street, Hartford, CT.

GED/Construction Training is funded in part by Capital Workforce Partners. Web site: www.capitalworkforce.org

GED/Construction Training is an approved program under the US Dept. of Labor through the Workforce Investment Act (WIA) of 1998.
