

Policy & Systems Alignment Discussion Sheet

MAY 29, 2014

Please use this sheet to help you take notes.

SCALING UP & SUSTAINMENT

What are some best/promising practices we have observed this year?	
How can we build awareness of these practices?	
How can we increase the adoption, replication, and scaling up of these practices?	

CHANGE AGENT

<p>How can we use our collective influence on system leaders?</p>	
<p>What changes in our environment must we consider in our efforts?</p>	
<p>What would be the most effective way to interact with each other to ensure we can affect system change?</p>	
<p>What should be our next step(s)?</p>
