OPPORTUNITY YOUTH
Collaborative
DECEMBER 8TH & 9TH, 2015 ♦ HARTFORD, CT

PURPOSE

The Equal Measure visit is focused on understanding how the collective impact model is being used to build education and career pathways for Opportunity Youth in Hartford. It aims to identify strategies for improving outcomes among opportunity youth, and to elevate and share those lessons with the Aspen Institute and other collaboratives participating in the Opportunity Youth Incentive Fund, as well as with the field more broadly. Equal Measure is not assessing the collaborative's progress or judging site performance.

GOALS

- ◆ Better understand the collaborative's strategies for improving the education and employment outcomes of Opportunity Youth in the community.
- ◆ Identify factors that influence progress in the community and its efforts to enact systems change.
- ◆ Elevate promising approaches for using collaboratives to improve Opportunity Youth outcomes.
